PUBLICATIONS OF THE DEPARTMENT OF STATE

The publications of the Department of State are for sale by the Superintendent of Documents, Government Printing Office, Washington, D.C., and requests should be addressed directly to him except in the case of free publications, which may be obtained from the Department. The Superintendent of Documents will accept deposits against which the cost of publications ordered may be charged and will notify the depositor when the deposit is exhausted. The cost to depositors of a complete set of the publications of the Department for a year will probably be in excess of \$10. However, orders may be placed with the Superintendent of Documents for a single series as well as for single publications.

In general, the publications of the Department, since October 1, 1929, are numbered serially as a group, in the order in which they are sent to the press, each with a publication number on the verso of its title page. Treaties are numbered as a separate group, in the order in which they are proclaimed.
